

Data protection declaration

The Novitronic AG take the protection of your personal data very seriously and strictly adhere to the rules of the applicable data protection law. Personal data are only collected on this website to the extent technically necessary. The collected data wouldn't be sold under no circumstances.

Personal data will not be passed on to third parties without your consent, unless we are legally obliged to do so or this is necessary for the fulfilment of a contractual relationship.

Personal Data

The subject of data protection are personal data. These are individual details about the personal or factual circumstances of a specific or identifiable natural person. This includes for example information such as name, postal address, email address or telephone number but possibly also usage data such as your IP address.

Collection, processing and use of personal data

Personal data are collected by Novitronic AG if you voluntarily provide it to us, for example when you contact us. The personal data which are transmitted to us in this way will of course only be used for the purpose for which you provided the personal data when you contact us.

The transmission of this information is provided expressly on a voluntary basis and with your consent. To the extent that this involves information about communication data (for example email address, telephone number,...), you also agree that we may also contact you via this way of communication to answer your request.

Of course you can revoke your declaration of consent at any time in the future. Please contact for this:

Novitronic AG
Thurgauerstrasse 74
CH-8050 Zürich
email address: info@novitronic.ch
telephone number: +41 44 306 91 91
website: www.novitronic.com

If you revoke your consent, your personal data will be deleted.

Storage period

Personal data are stored as long as is necessary for fulfilling the respective purpose. Documents subject to statutory retention periods are archived in accordance with these retention periods.

Security

The Novitronic AG has taken extensive technical and organizational precautions to protect your personal data. The safety measures are regularly reviewed and adapted to technological progress.

When you use the contact form, your data will be hosted by a provider through order processing. The Novitronic AG and the provider are using technical and organizational security measures to protect your collected data against accidental or intentional manipulation, loss, destruction or access by unauthorized persons.

There is no automated collecting of usage data and also no usage profiles are created about visits to the website from the Novitronic AG.

Links to other websites

Occasionally there are references to third-party website. Although these third parties are carefully selected, but the Novitronic AG cannot assume any liability or give a guarantee for the accuracy or completeness of the content or data security of third-party websites. Each link is specifically marked. This data protection declaration is also not valid for third-party linked websites.

Right of providing information

Any person has the right to get at any time free information about her personal data which are stored at the Novitronic AG, the origin of the data and recipient as well as the purpose of storage. The Novitronic AG will provide you with information about the stored data by email.

Please send your inquiries to the following email address: endrich@endrich.com.

Correction, deletion or blocking

Also you have the right for correction, deletion or blocking for your personal data. To exercise these and other data subject rights you can contact the Novitronic AG at any time by email at info@novitronic.ch.

Your trust is important for us. We would therefore like to be available to answer your questions regarding the processing to your personal data at any time. If you have any questions that this data protection declaration could not answer or if you would like more detailed information on a point, please contact the Novitronic AG at any time by email address info@novitronic.ch.

Contradiction to advertising

The using of contact details, which are published as part of the imprint obligation, by third parties to send unsolicited advertising and information materials is thereby expressly

prohibited. The operators of the pages expressly reserve the right to take legal action if they get unsolicited advertising for example by spam emails.
